FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Notification dated 17th February 1948.

To

All Drawing Officers in the State.

Subject :—Advance of one month's pay granted in August 1947 being shown as an item of recovery in the Last Pay Certificate of Retired officials.

No. 949—Pen. Adverting to G. O. No. Fl. 1155-1224—S. & A. 34-47-2, dated 14th August 1947, sanctioning an advance of one month's pay to all non-gazetted servants in the State and directing that this advance is to be set off against the arrears of pay that would accrue by giving retrospective effect to the revised scales of pay after their allocation into the revised scales of pay is approved by Government, it is noticed that drawing officers have been showing the advances as outstanding against officials who have retired from service subsequent to the date of the above Government Order and as an item of recovery in the Last Pay Certificates of such officials. As the recovery of this advance from the pension of these officials would work as a hardship on them (as it is meant to be recovered from the arrears of pay due to them) the drawing officers are instructed to show this advance with a specific remark that it is to be recovered from arrears of pay while preparing the Last Pay Certificates of such officials.
